

# Safer Recruitment Policy

## The safe recruitment of staff in schools is the first step to safeguarding and promoting the welfare of the children in education.

Axcis is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment. It is recognised that this can only be achieved through sound procedures, ongoing training, reviewing and updating of systems, and the recruitment and retention of competent, motivated employees who are suited to, and fulfilled in the roles they undertake. We recognise the value of a diverse workforce, and actively seek to include people from different backgrounds and with different skills and abilities throughout our organisation. Axcis is committed to ensuring that the recruitment and selection of all candidates is conducted in a manner that is systematic, efficient, and effective, and that promotes equality of opportunity. We will uphold our obligations under law and national collective agreements to not discriminate against applicants for employment on the grounds of age, sex, sexual orientation, marital status, disability, race, colour, nationality, ethnic origin, religion or creed. This document complies with the principles set down in our Equal Opportunities, Recruitment and Retention and Child Protection Policies, and our Complaints Procedure, all of which are available on request.

All applicants are exempt from the Rehabilitation of Offenders Act 1974 and therefore all will be required to declare spent and unspent convictions, cautions and bind-overs, and have an Enhanced Criminal Records Disclosure or a Disclosure & Barring Service Enhanced Certificate.

We are committed to ensuring that people who have been convicted are treated fairly and given every opportunity to establish their suitability for positions. Having a criminal record will not necessarily be a bar to obtaining a position. Client schools are fully informed before making any decision about a candidate.

Axcis Education will ensure that staff undertaking recruitment have completed a level 2 safeguarding course. Axcis staff will also implement robust recruitment procedures and checks for appointing staff and volunteers to ensure that all reasonable steps are taken not to appoint a person who is unsuitable to work with children, or who is disqualified from working with children, or does not have the suitable skills and experience for the intended role. We keep and maintain a single central record of recruitment and vetting checks in line with DfE policies and can provide copies of this Safer Recruitment Policy and all other relevant policy documents on request.

The following criteria are verified and investigated for all candidates working for Axcis. Only original or certified documents are acceptable:

- An up-to-date CV and application form. Candidates must account for any gaps or discrepancies in their employment history. Applicants are made aware that providing false information is an offence and could result in their application being rejected or summary dismissal if the applicant has been selected and possible referral to the police and other professional regulatory bodies.
- Two satisfactory references, one of which will be from the current or most recent employer. The relationship of the candidate to the referee must be clearly stated. Any original testimonial must be checked and verbal references followed up by written references within 15 days.
- Verification of the candidate's identity in line with the requirements of The Immigration, Asylum and Nationality Act 2006.
