

Teacher Tips

- Make every effort to teach the material given to you for each lesson.
- Carry work with you so that any groups without set tasks can be catered for.
- Mark what work has been covered (going around during the lesson and doing this is fine). This is most relevant in primary settings but also in secondary for long-term bookings.
- Leave notes for the usual class teacher about class(es) covered i.e. any work not finished, students who were exceptionally well/unsatisfactorily behaved, etc.
- If you are not timetabled to cover any lessons during the day, don't do nothing. Find your contact at the school and find out if there is anything else they need you to do.
- Ensure the classroom is left tidy and that all items of school property, especially keys, are returned at the end of the day.
