What Happens Now?

During your interview with Axcis we took a copy of your documents in line with our Safer Recruitment Policy.

If you provided us with ALL of the required information and documents, your information will be entered into our database. Once your references and DBS have been returned your file can be cleared for work. References are one of the biggest delays in clearing you for work, so please make sure your referees are aware we will be contacting them and a quick response is needed.

If you forgot any of your information or documents you must get them to us as soon as possible as they will be holding up your registration with Axcis and your probability of getting work.
